Home School wins the Allegro Insurance & Risk Management Inter Schools

Home School Team wins Allegro Insurance & Risk Management Inter Schools Squash Championships.

The Home School team fought through the group stages beating off strong challenges from Somersfield Academy, Purvis Primary and Harrington Sound Primary. As winners of the group they went through to the final to face Elliott Primary whom had equally been pushed hard by teams from Somersfield, Purvis and Learning Express Academy. The final proved to be even harder than the group matches with all players giving 110% on court and in cheering their team mates on. At 6 points all having played 3 of the 6 matches it looked as though the match may go down to the final seconds however the Home School team seemed to find another gear and stretched away to eventually win by 17 points to 12.

The 3 hour competition with some 70 competitors was a great success and thoroughly enjoyed by all. The Bermuda Squash Racquets Association would like to thank all the schools for taking part and Allegro Insurance & Risk Management Ltd for their support.

Summer Camps 2006
