Knights tops Grand Prix Leaderboard

Korin Knights is top of the BSRA Junior Grand Prix after 3 events.

The BSRA Junior Grand Prix Competition incorporates 6 tournaments throughout the year culminating in the final event held in December prior to the Junior Christmas Party.

Currently topping the leader board is 14 year old Korin Knights. Korin has finished 1st in all 3 silver level competitions so far this year Korin will be taking and hopefully passing his gold level test very soon and should be thrown in with the gold level players for the upcoming grand prix.

There were 2 grand prix competitions held in May, both producing some interesting and unexpected results and behavior.

Kyler Knights, younger brother of Korin and zoomed up the leader board just outside the top 10 with 2 fantastic performances to win both grand prix at green level..

Tobin Voth had his highest ever finish in the last grand prix at 2nd place in Bronze. Tobin finished ahead of arch rival David Franks.

The gold group saw Kelly Barnes inflicting a shock defeat on Bermuda Junior Open semi Finalist Noah Browne.

Leader Korin Knights and brother Kyler

Kelly & Rachel Barnes - taking on the boys...

Noah came back from this defeat by beating eventual winner Chris Stout in a nail biting tie break (interrupted by the court lights being turned off!) before all participants witnessed the strangest behavior seen at the BSRA for some time in that Chris Stout and Noah Browne displayed exemplary sportsmanship... hugging each other at the end of their titanic battle.

Well done to both of them.
