## Girls are taking over

Watch out boys as the girls are taking over the BSRA Junior Program! On the 1st day of the new squash term the opening Saturday session had 23 kids in it... of which 17 were girls! The Tuesday evening girls club is proving very popular with at least 12 girls enjoying playing regularly without the 'smelly boys' they say. With the final of the Shell Tournament being contested by 2 girls the boys had better watch out!
